(Kahnawake – 10, Enniská/February 2025) Tehsakotitsén:tha Kateri Memorial Hospital Centre (KMHC) is pleased to announce that it will host its second blood donor clinic on Tuesday, Enniskó:wa/March 4.

“Our first event held last fall was very successful, easily surpassing our goal of 75 donors,” said KMHC Executive Director Valerie Diabo. “We were pleased to help Hema-Québec conduct its important work. For this next clinic we’re aiming to once again surpass 75 donors. Kahnawa’kehró:non have traditionally been very generous when it comes to donating. At our previous event we also had a few people from neighboring communities who participated, which was very nice.”

“We’d like to extend our appreciation to the local media, who really stepped up to help promote last October’s clinic,” she added. “We’d also like to thank the Kateri Memorial Foundation who sponsored the first event and has agreed to continue its valuable support. Most of all, we appreciate those who took the time to donate the gift of life, and we hope to see you again on March 4th. And bring a friend!”
