PSA: Influenza Outbreak Ends

For immediate release

(Kahnawake - 1 Onerahtókha/April 2025) Tehsakotitsén:tha Kateri Memorial Hospital Centre is pleased to inform the community that **the Influenza A outbreak has officially ended April 1, 2025.**

As of April 1, regular visits will resume in long-term care units. The outbreak affected 4 residents in total.

KMHC would like to commend its staff, visitors, and residents for their efforts to stop the spread of Influenza.

“Fighting this outbreak was a group effort and we are so grateful to everyone who took those extra precautions before entering the hospital,” said Director of Nursing and Community Care, Robin Guyer.

“We’re especially grateful to our staff who worked diligently in response to the outbreak-Niawen'kó:wa!”
