NOTE:

- Abdominal exams will most likely be booked in our morning slots so as to avoid a very long fasting period.
Upon making the appointment, please tell the receptionist if you are diabetic and if so, please bring an unopened juice box/bottle to your appointment.

UPON ARRIVAL TO YOUR APPOINTMENT:

- ⇒ Please be advised that you will have to change into a gown for your ultrasound examination.
- ⇒ You will be instructed on which garments to remove, depending on the specific exam you are having.
- ⇒ There will be direct contact between your skin and ultrasound gel. If you have any known allergies to gel, please let the technologist know.
- ⇒ The technologist **CANNOT** give you results. The requesting physician will get the results from a radiologist and should provide them to you.

ADDITIONAL NOTES:

- All patients (14 years and older) will be given a private pre-assessment, and then one additional person may accompany them into the room during the exam.
- Please plan for the supervision of children who cannot enter the room during the exam.

For questions, concerns, or to reschedule, please call the Medical Imaging reception desk: 450-638-3930 ext. 6.
